### Risk Disclosure:

1. Investment is not equal to deposit. Please be aware of the risks associated with the products and prudent investment decisions.
2. The content of this document is for reference only and does not constitute an offer, solicitation or recommendation for purchasing any products or services. If you plan to purchase our products, please ask for relevant product documents from the Bank, and all information, rights and obligations relating to the products shall be subject to such product documents.
3. Products distributed by HSBC are issued and managed by relevant product providers. Under no circumstances will HSBC China (as a distributor) be liable for the responsibilities of investment, redemption and risk management. Please refer to the terms and conditions of the product contract for more details.
4. The Overseas Investment Plan is an open-end and publicly offered investment product, which is non-capital protected with floating return. Neither capital nor return is guaranteed. You may suffer substantial loss of capital. The Investment Plan has significant difference from traditional deposits, and involves investment risk. Investor may suffer capital loss upon redemption and the redemption proceeds could even be zero. You should fully understand the investment risk and act prudently in making the investment decision.
5. Structured Deposit is not a traditional deposit, but rather a product involving investment risks. You should act prudently in making the investment decision.
6. Funds are not equivalent to deposits or bonds which can provide fixed return at maturity. Different types of funds have varying risk-return profiles. Investors may enjoy a return or suffer loss. Funds are investment products. Investors should not invest in the product unless the product is suitable, taking into account your financial situation, risk tolerance, investment experience, investment objectives, investment needs and other necessary factors. Otherwise, you should not subscribe to/purchase this investment product.
7. Fund-related product types include Overseas Investment Plan - Fund (Launched by HSBC China), Local Unit Trusts (Distributed by HSBC China), MRF-Recognized HK Funds (Distributed by HSBC China)
8. You can visit an HSBC branch or our official website to obtain product information. The terms and conditions of the products are subject to the sales documents. Investment is not equal to deposit. Past performance is no guide to future performance or not equal to the actual returns of the products. Please be aware of the risks associated with the products and prudent investment decisions.
