Tariff of Accounts and Services for Personal Customers (Effective from 1 April 2017)

Tariff of Accounts and Services for Personal Customers (Effective from 1 April 2017)

Issued by HSBC Bank (China) Company Limited

Important Notes:

- 1. This tariff is formulated by HSBC Bank (China) Company Limited (the "Bank", "we", "us" or "HSBC China") and applies to services provided by the Bank to personal customers (both Premier,Advance and Personal Banking included).
- 2. This tariff comes into effect as from 1 April 2017. The charges, account and service items and other terms in this tariff may be subject to adjustment (including but not limited to addition, deletion, cancellation, amendment) from time to time by the Bank at the Bank's discretion or according to laws, regulations, policies and/or orders, requirements or directives as given by the relevant governmental or regulatory authorities. The latest Tariff of Accounts and Services as adjusted by the Bank from time to time will be notified to customers via public announcement (being posted at the Bank's business premises and/or released at the Bank's official website). Customers will be deemed to have understood and agreed to the Bank's Tariff of Accounts and Services (adjusted from time to time) if they continue to hold their accounts with the Bank and/or use the services offered by the Bank after the effective date of such adjustment as notified in the public announcements.
- 3. HSBC Premier customers can enjoy the preferential tariff provided that:

(1) Last month's Total Relationship Balance is not below the Premier Minimum Total Relationship Balance requirement; or

(2) the Premier Monthly Service Fee has been fully paid.

International Premier Customers with HSBC China as the Host Country bank are not subject to the above conditions. Total Relationship Balance means combined monthly average balance maintained under one Premier Customer Number with HSBC mainland China branches. The Premier Eligibility Criteria of Minimum Total Relationship Balance is subject to change at the Bank's discretion from time to time.

- 4. HSBC Advance customers can enjoy the preferential tariff provided that:
 (1) Last month's Total Relationship Balance is not below the Advance Minimum Total Relationship Balance requirement; or
 (2) the Advance Monthly Service Fee has been fully paid.
- 5. Personal Banking service is only applicable to customers under Corporate Employee Privilege Scheme.
- 6. The charges shown in this tariff do not include charges collected by other institutions (including, without limitation, fund management companies, insurance companies, any other HSBC Group members, whether situated within or outside Mainland China or any agent banks) or duties, levies, charges or taxes imposed by governmental or regulatory authorities. Such charges, duties, levies or taxes (if any) should be paid at the rate laid down by such other institutions and the relevant governmental or regulatory authorities.
- 7. Documents and account tools provided under the Bank's account services are usually delivered to customers free of charge in such method as are determined by the Bank to be generally applicable to individual customers ("Usual Method"), for example, documents like account statements and advices are delivered to customers via ordinary mails or provided in electronic form (if customer has applied for the electronic method); while bank cards and internet banking security devices are delivered to customers via registered mails. If a customer requests the Bank to deliver documents and/or account tools under the Bank's account services in a method ("Unusual Method") other than Usual Method, then the out-of pocket expenses (charged by the delivery service provider) for arrangement of such delivery in Unusual Method shall be borne and paid by customer.
- 8. For each service item set out herein, the Bank has the right to decide at its sole discretion whether or not to provide the relevant service according to the actual situation, relevant laws, regulations, policies (including orders, requirements or directives of regulatory authorities, whether oral or written) as well as the Bank's internal operation rules and guidelines. The provision of the relevant services is subject to and shall comply with the relevant terms and conditions as set out and adjusted by the Bank from time to time. Nothing in this tariff shall restrict the Bank's rights under any other terms and conditions applicable to the relevant accounts and/or services.
- 9. Unless otherwise stipulated, the charges shown in this tariff will be denominated and charged in Renminbi (also called Chinese yuan, "CNY"). If payments are made in a currency other than the prescribed currency, then the amount paid shall be equivalent to the amount payable in the denomination currency herein and shall be converted at an exchange rate determined by the Bank at the time of payment.

Important Notes:

- 10. Notwithstanding any different or contrary provisions herein, the Bank may at its sole discretion offer or withdraw any or all HSBC Premier services to, and/or cancel the Premier status of, the customers whose Total Relationship Balance falls below the minimum amount applicable to Premier customers as determined by the Bank from time to time; or offer or withdraw any or all HSBC Advance services to, and/or cancel the Advance status of, the customers whose Total Relationship Balance falls below the Advance customers as determined by the Bank from time to Advance customers as determined by the Bank from time to time.
- 11. Subject to no violation of the mandatory provisions of laws and regulations, the Bank may, under certain circumstances, discount or waive certain charges payable by particular customer(s) on the basis of standard pricing at the Bank's sole discretion.
- 12. The "Total Relationship Balance" mentioned herein refers to the combined monthly average balance of all the accounts under the same customer number, which includes: (1) CNY / foreign currency deposits; (2) investment principal amount(s) of Dual Currency Investment(s) and Structured Investment(s) (Capital Protected at Maturity / Partially Capital Protected at Maturity) (3) market value of other investment product(s) (including Overseas Investment Plan); (4) point of time cash value of traditional life insurance product(s) (including annuity insurance, whole life insurance, endowment insurance, critical illness insurance and universal life insurance) as at day end of the third to last working day of the current month; (5) point of time market value of investment account(s) under investment linked insurance product(s) as at day end of the third to last working day of the current month.

Remarks and notes:

(1) The insurance product(s) as mentioned above will be included in the Total Relationship Balance calculation of the current month if the relevant policy effective day is on or before the third to last working day of the current month and will start to be included in the Total Relationship Balance calculation from the next month if the relevant policy effective day is on or after the second to last working day of the current month.(2) The Total Relationship Balance calculation doesn't include protection insurance product(s) (protection insurance product(s) refer to term life insurance, credit enhancement insurance and general insurance such as travel insurance, accidental insurance and health insurance).(3) Working day refers to such working day in Mainland China as determined pursuant to the announcement or provisions issued by the relevant governmental organization in Mainland China.(4) The above mentioned cash value or market value of insurance product(s) will be provided to the Bank by the relevant insurance company(ies), and the Bank takes no liability for the information and data provided by the relevant insurance company(ies).

- 13. In respect of the terms used herein such as "Mainland China", "domestic", they mean the People's Republic of China, which for the sole purpose of this document excludes Hong Kong, Macau and Taiwan.
- 14. The coverage of ""Intra-city"" mentioned herein is no smaller than the prefecture-level city. The details are:

(1) "Intra-province" under the Debit Card service means the transaction place and the debit card's primary account maintenance branch are in the same province (or municipality).
 (2) The "Cross Branch Services within HSBC China" refers to the services provided by the HSBC China's branches which are not located in the city of account opening branch. Please refer to http://www.hsbc.com.cn/1/2/misc/branches-and-atms for HSBC China's branch network.

(3) "Intra-city" city list under CNY Domestic Payments is not set out in detail herein as the fee charge for Intra-city CNY Domestic Payment and Inter-city CNY Domestic Payment is the same.

- 15. Should there be government pricing items prescribed by the pricing authorities of the State Council, banking regulatory institution of the State Council, such government pricing shall apply.
- 16. If the service provided by the Bank to a customer involves special element or is specifically designed for that customer and/or the parties have separate agreement on service charges, the service charge shall be governed by provisions of such separate agreement.
