

Global Private Banking

Wealth is more than the sum of your fortune
It is about creating new opportunities of value
Where achieving success is only the beginning
HSBC China Global Private Banking
Our mission is to enable and promote a sustainable future
To establish continuous growth
And to provide global insights in an ever-changing world
Your vision shapes the future
You forge your own legacy, every moment of every day
From home to family
From this generation to all generations to come
From wealth to empowerment
The world no longer has boundaries
HSBC China Global Private Banking
Opening up a world of opportunity
